

Internship

Oakland Hills Country Club
Bloomfield Hills, MI

Educational Requirements:

Currently enrolled in a certificate, 2 or 4 year turf program.

Experience Requirements:

Golf course experience is preferred but not required.

Special Requirements:

The ideal candidate is a self-motivated and extremely driven individual that is ready to do whatever it takes to succeed in this competitive industry. We are looking for individuals with a passion for golf, golf architecture, and producing championship conditions on a daily basis. Each internship will be based on the individual's current skillset and knowledge of a golf course. We will personally tailor each internship experience to areas that we feel the intern needs to grow in. Each intern will work closely with the Assistant Superintendents and Assistants-in-Training to complete daily tasks and further their knowledge of our maintenance standards. Interns will gain experience in all facets of Turf Management, including but not limited to mowing, rolling, moisture management, fertilizer and pesticide application and calibration, management strategies and record keeping. Interns will have the opportunity to volunteer at professional tournaments during their internship at OHCC. Our goal for every intern will be to have them move into an Assistant-in-Training position at our organization once they have completed their education.

Comments:

Oakland Hills Country Club is a Donald Ross designed 36 hole, private club in Bloomfield Hills, Michigan established in 1916. The South Course is ranked #20 in Golf Digest and has hosted 17 major championships including the 2004 Ryder Cup and 6 U.S. Opens. Oakland Hills has contracted Gil Hanse to implement a master plan for their South Course with work beginning in the fall of 2019. This work will include renovating all greens to USGA specifications with PrecisionAire vaulted units, bunkers, tees, fairways, irrigation, drainage, tree removal and re-grassing to new and improved bentgrass varieties.
