

Irrigation Technician/Assistant in Training

The Country Club at Loch Lloyd
16750 Country Club Drive
Village of Loch Lloyd, MO 64012

The Country Club at Loch Lloyd is a private country club located in Village of Loch Lloyd, MO. Originally opened in 1991, The Country Club at Loch Lloyd boasts 27 holes with 18 holes newly designed by Tom Watson Signature Design in 2012. The Country Club at Loch Lloyd is consistently known as one of the best golfing experiences in the Midwest. To continue accomplishing this, Loch Lloyd recently completed a zoysiagrass fairway installation and bunker renovation in 2017.

Under the direction of the Director of Golf Course Maintenance, Jeff Steen, CGCS and the Golf Course Superintendent, Grant Suderman, The Country Club at Loch Lloyd is seeking a highly motivated applicant with a strong work ethic and positive attitude to oversee all aspects of the Rainbird irrigation system. It is an exciting time to be a part of Loch Lloyd with ongoing projects, new equipment lease program, upcoming construction of a new maintenance facility and an ever growing team of professionals. The Irrigation Technician will be involved in all irrigation practices and troubleshooting while working closely with the management team. Advanced Irrigation knowledge as well as the desire to learn is necessary for consideration in this position.
