

# Junior Assistant Superintendent

## NORTH SHORE COUNTRY CLUB

Glenview, Illinois.

NSCC opened in 1924 with a course designed by Allison, Colt & MacKenzie. The classic course has been host to the U.S. Open and two U.S. Amateurs. The most recent televised tournament held was the Encompass Senior PGA Tour Championship from 2012-2014. Currently NSCC is ranked 14th in the state 2019 Golf Digest. North Shore plans to host the Western Amateur in 2023 and continues to be on the map for hosting major golf events.

We are proud to be a fully Certified Audubon Cooperative Sanctuary, recognizing the value North Shore C.C. contributes to the environment & community. We believe a healthy golfscape contributes to the game and the function of our planet's ecosystems -- our air, water, land, and life

Audubon  
International

North Shore C.C. grounds team not only provide high level playing conditions, but conduct turf research trials to help improve playability, growing conditions, and overall sustainability. Research includes 3 NTEP on-site bentgrass putting green trials, soil amendments, compost, biochar and many plant health care inputs.

Superintendent Dan Dinelli emphasizes a strong environmental approach to each aspect of the golf course to enhance the ecological footprint.

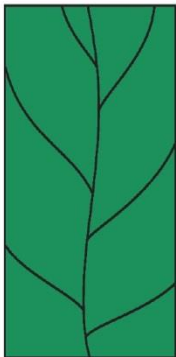

On-site evaluation of USGA recommended sand-based rootzones with various organic amendments growing of creeping bentgrass.

Study conducted in NSCC greenhouse investigating bentgrass cultivars for varying level of drought stress

## 2017 Renovation

In updating infrastructure using state of the art technology yet stay in keeping with the original design, Architect Rick Jacobsen and Superintendent Dan Dinelli converted 19 greens to USGA recommended rootzones. Alongside the greens and fairways all 74 bunkers were rebuilt with new drainage, white sand, and Better Billy Bunker liner.

GLENVIEW ENVIRONMENTAL  
SUSTAINABILITY AWARD

Presented to

North Shore Country Club

2018 Innovation – Gold
