

Lead Assistant Golf Course Superintendent

The Country Club at Loch Lloyd
16750 Country Club Drive
Village of Loch Lloyd, MO 64012

The Country Club at Loch Lloyd is a private country club located in Village of Loch Lloyd, MO. Originally opened in 1991, The Country Club at Loch Lloyd boasts 27 holes with 18 holes newly designed by Tom Watson Signature Design in 2012. The Country Club at Loch Lloyd is consistently known as one of the best golfing experiences in the Midwest. To continue accomplishing this, Loch Lloyd recently completed a zoysiagrass fairway installation and bunker renovation in 2017.

Under the direction of the Director of Golf Course Maintenance, Jeff Steen, CGCS and the Golf Course Superintendent, Grant Suderman, The Country Club at Loch Lloyd is seeking a highly motivated applicant with a strong work ethic and positive attitude to assist in leading a staff of 30 individuals. It is an exciting time to be a part of Loch Lloyd with ongoing projects, new equipment lease program, a new maintenance facility to be constructed and an ever growing team of professionals. The Assistant will be involved in daily course management working closely with the Superintendent and other assistants. The ability to lead as well as the desire to learn is necessary for consideration in this position.

Essential Functions

- Manage all operations involved in providing maintenance of greens, fairways, tees, bunkers, bodies of water, roughs, maintenance shops, golf carts and clubhouse landscape
- Training and supervising the maintenance team to ensure safety and quality of work
- Leading and motivating the maintenance team by developing goals and new strategies
- Supervise the safe use and maintenance of all golf course mechanical equipment
- Supervise the application and recording of chemical applications on the grounds in compliance with all local, state and federal laws and regulations
- Collaborate with fellow leaders to prepare daily and weekly schedules
- Strong business sense and ability to produce excel documents
- Willingness to work long hours and weekend duties

Personal Attributes

- Strong organizational, communication and interpersonal skills
- Strong attention to detail and exceptional time management
- Ability to work under pressure and perform multifaceted projects in conjunction with daily activities
- Strong leadership and motivational skills, as well as the ability to organize, coordinate and direct team activities

- Demonstrated ability to interact effectively with executive leadership, associates and members/guests
- The ability to continually adapt and evolve
- Be motivated to continue to learn with the goal of advancement in the industry

Experience

- Bachelor's Degree in Agronomy, Turf Management, Horticulture or other related field preferred.
- Minimum of two years in a turf management capacity
- Rainbird Cirrus Operation preferred, industry software knowledge . i.e.: Task Tracker
- Ability to acquire and obtain a Pesticide Applicators License for the states of Missouri and Kansas.
