

**Summer Internship
Stock Farm Club
Hamilton, Mt.**

Course Type: Private

Annual Rounds: 7000

Maintenance Budget: \$1,000,000+

Number of Holes: 18

Primary Grasses:

Greens: T1 Creeping Bentgrass

Tees: Perennial Ryegrass

Fairways: Kentucky Bluegrass

Educational Requirements: Interns must be enrolled in a two- or four-year turf program.

Experience: Previous golf course experience is preferred but not required.

Job Description: Interns can expect to be involved in all aspects of golf course maintenance and will play a major role on our team. Interns can expect to gain experience in daily course setup, mower operation, fertilizer and pesticide application and calibration, irrigation maintenance and repair, topdressing and aerification and crew management. Interns must be self-motivated, detail oriented individuals that are aspiring to be managers in the turf field.

Salary Range: \$11 - 12/hr DOE + OT

Comments: Stockfarm Club is a Tom Fazio designed championship golf course located in the picturesque bitterroot valley forty miles south of Missoula. The Stockfarm Club has been rated the number one golf course in the state of Montana. Expectations are high at the Stockfarm and we expect a lot out of our interns. In addition to working and

playing on the golf course, interns can enjoy our blue-ribbon trout streams and our many hiking trails that are located in the valley. Check out our website at www.stockfarm.com.

Benefits Provided: Paid Housing, Golf Privileges, Uniforms, Bonus Program
