

## Golf Course Superintendent Holton Country Club

Holton Country Club in Holton, KS is currently searching for a Golf Course Superintendent. HCC membership has managed the golf course over the last 7 years. During that time the focus of golf course improvement has been building stronger green complexes, converting fairways to zoysia and converting cart paths to concrete. The golf course has shown marked improvement over that time and are proud of what's been created. HCC membership is seeking a fulltime superintendent to care for the golf course and lead a team of employees/volunteers. We are looking for a highly motivated, enthusiastic, dedicated and positive person to join the HCC team.

HCC enjoys a close working relationship with Firekeeper Golf Course, the #1 Golf Course in Kansas according to Golfweek® magazine. That relationship includes support and consultation in the form of advice & education on golf course care. The Superintendent will take the lead on that peer-to-peer communication with his/her counterpart at Firekeeper.

Future plans include continued conversion of fairways to zoysia, cart path improvement and cultivating/improving the green complexes. Additionally, a fundraising project is underway to rebuild the putting clock and first tee area.

The Superintendent will manage all day-to-day operations of the course. Must be able to participate in daily operations and supervise crew members, enforce safe working conditions and training of new employees, have experience in irrigation troubleshooting and repair. Must be able to obtain or possess a Kansas Pesticide License and have experience in Chemical and fertilizer calibration and applications. A 2-4-year turf degree preferred and must have a valid driver's license.

Salary: \$36,000-40,000 DOE
