Owned or operated by the PGA TOUR, TPC's are known throughout the United States for setting standards for superb golf properties, upscale amenities and outstanding member and guest service.

At the TPC Network of Clubs, we strive to provide the best possible tournament and club experience for PGA TOUR players and their families, as well as create a memorable experience for TPC members and guests. This can only be accomplished by attracting and retaining a highly competent, motivated and loyal staff dedicated to working together as a team to achieve service excellence.

We believe the most valuable assets of the TPC Network are our team members who embrace the vision, mission and values of the TPC organization. We believe that talented people keeps our network as the leader in the golf industry and that a single person can make a difference. In return, TPCs offer a challenging, rewarding work experience in a fast-paced and energetic work environment.
