

Background

The Creek is a classic 18 hole Charles Blair Macdonald design built in 1923 on the affluent north shore of Long Island. The Creek is a links-style golf course that strives to implement strategies initially intended by Charles Blair MacDonald. The Creek just underwent a complete, full-scale, golf course restoration, under the direction of consulting architect Gil Hanse. A brand new HDPE/PVC hybrid Rainbird irrigation system was installed to match new construction. This is a very exciting time to be part of a growing team and the future of a beautifully restored classic gem.

Education/ Experience

Enrolled in a 2 or 4 year program in turfgrass management or related field.

The Creek

Adam Wilkins – Golf Course Superintendent
1 Horse Hollow Rd
Locust Valley, NY 11560
