6-WEEK SUMMER UNDERGRADUATE RESEARCH IN NEW ZEALAND

6-WEEK SUMMER UNDERGRADUATE RESEARCH AT UNIVERSITY OF AUCKLAND

Area of Study: Arts and Social Sciences

Through the Undergraduate Research Program at the University of Auckland students can spend the summer in one of the most multicultural and beautiful cities in the world, while receiving academic credit. This 6-week program provides students with the opportunity to participate in a hands-on research project in fields such as Social Science, Psychology, Communication, Media, and International Relations. In addition to the academic programming, the Auckland Undergraduate Research students will get to explore some of the cultural and geographic highlights of New Zealand such as geothermal hot springs and Hobbiton.

Host University

Founded in 1883, the University of Auckland is a research-led, international university that is recognized for excellence in teaching, learning, research, creative work, and administration. It is also New Zealand’s leading research university. The University of Auckland is ranked 81st in the world (#1 in New Zealand), according to the QS World Rankings for 2016-2017.
