

KSU Amateur Radio Club

WØQQQ

Minutes - October 16, 2001

The meeting was not called to order in 401 Seaton Hall by President John Blessing, NØYRL.

Instead of a business meeting, four members amused themselves by sorting vacuum tubes donated by Norm Dillman, NØJCC last year. The goal is to sell the things after know what we have available for our future customers.

There's a bumper crop of 6SN7s.

David Yoder, KAØJPM
secretary-treasurer
