

# Amateur Radio Club at Kansas State University WØQQQ

## Minutes - June 14, 2016

---

The meeting was called to order at 5:40 p.m. on June 14, 2016 with President James Copeland, KDØICP, Activities Manager Max Nager, W2MAX, and Station Manager Vern Wirka, WØVMP in attendance.

MAARS Secretary Jim Foster, KDØNQQ, led a presentation about the upcoming Field Day in Long's Park, which will take place June 25th - 26th. Part of the presentation included a slide show that will be shown to visitors at Field Day at the Get on the Air Station.

KSUARC members are planning on assisting with the MAARS Field Day, including setup and operation. Posters promoting the event have been made available, and will be put up on campus.

There are no scheduled summer meetings coming up, but club members are encouraged to watch their email for any opportunities that may arise during the summer.

James Copeland, KDØICP  
President
